

Hospital will host annual coat drive

With the snow on the ground serving as a reminder that the winter season continues, East Orange General Hospital will partner Jersey Cares for its annual Community Coat Pick-Up Day drive.

Collections will be accepted Friday from 10 a.m. to 5 p.m. and Saturday from 9 a.m. to 3 p.m. in the hospital building at 80 S. Munn Ave.

Contact Leslie Eaddy at 973-414-1886 or visit the Web site evh.org for additional information about the collection and other programs.
