

EOGH FAMILY HEALTH CENTER

Comprehensive,
coordinated care...

To help you get well
and stay well.

At East Orange General Hospital's Family Health Center, our doors are open to everyone. Staffed by highly trained and experienced doctors and nurses, we provide quality, compassionate care to help you get well.

As a patient, you'll meet with a physician to assess your health status and develop an individualized treatment and wellness plan.

We receive thousands of visits each year and are proud to deliver care to everyone. Whether you're uninsured, underinsured, low-income or have full health benefits, our Family Health Center is here for you!

For more information call (973) 674-3500
