

**EOGH WORKS WITH THE COMMUNITY** — Tom Puryear, president of the Orange-Maplewood Chapter of the NAACP, recently visited and toured East Orange General Hospital and met with East Orange General Hospital interim President and Chief Executive Officer Marty Bleber, right, and East Orange Mayor Lester Taylor. They discussed the hospital's pending partnership with Prospect Medical Holdings, the value the hospital brings to the region as a vital health care resource and the impact East Orange General Hospital provides through jobs and its effect on the local economy.
