

Forbes named medical director of BHS at EOGH

Dr. Trevor G. Forbes has been appointed medical director of Behavioral Health Services at East Orange General Hospital.

Forbes comes to East Orange General with a wealth of experience, having served as attending psychiatrist at a number of New Jersey and New York hospitals, including Jacobi Medical Center, Bronx Psychiatric Center, Jersey City Medical Center, Newark Beth Israel Medical Center and

Princeton House/Princeton Healthcare System.

Forbes maintains a private practice Palisades Behavioral Care, Jersey City. At East Orange General Hospital, he will oversee all Behavioral Health Services clinical activities.

Forbes received his medical degree from Albert Einstein College of Medicine and completed his four-year residency in psy-

chiatry at Montefiore Medical Center, Bronx, NY. He has a bachelor's degree from the City College of New York.

A diplomat of the American Board of Psychiatry and Neurology, Forbes is licensed to practice medicine in New Jersey and New York. He resides in Plainfield.

"We're delighted to have someone of Dr. Forbes' clinical background and experience join our behavioral health team," said East

Orange General Hospital interim President and Chief Executive Officer Martin Bieber.

Long known as a leader in meeting the behavioral health needs of Essex County and beyond, East Orange General Hospital offers a wide variety of both inpatient and outpatient psychiatric services including treatment, counseling, case management and crisis intervention for adults, teens and children.
