### MAY 2016

The Employee of the Month for May is Tanisha Jackson, Food Service Associate in the Food and Nutrition Department. Tanisha has been with East Orange General Hospital since 2008.

Tanisha is a pleasant, polite and hardworking employee. She has a strong commitment to quality and is an asset to our hospital. She is always willing to assist her co-workers in the department. Among other responsibilities, Tanisha delivers the food trays for our patients. She always completes this duty with great pride and diligence to ensure patients are happy with their meals. An example of Tanisha's customer service can regularly be seen when she discusses patient concerns regarding food choices with her supervisor, and then follows-up and deliver the preferred items to the patient. Tanisha goes above and beyond to make sure our patients have a pleasant hospital experience.

Tanisha's leadership extends beyond her traditional role as she takes on other initiatives and carries out additional responsibilities to support the department and the hospital. She continues to have a positive attitude toward work responsibilities, co-workers and patients — and serves as a role model for others.

Tanisha's work ethics and personality inspire those around her. She is cheerful, upbeat and makes those around her comfortable in her presence. She comes to work each day with a positive attitude. Tanisha is an example of an engaged employee and team player. She brings energy to the Food and Nutrition Department and is truly worthy of being May's Employee of the Month.

Congratulations Tanisha on a job well done and keep up the good work!
